

# Nui

Design Meneghello Paoletti Associati

- Type: Floor outdoor
- Light source: LED 11 or 17W 3000K CRI 90  
on/off or dimmable push/DALI
- Product use: Outdoor
- Materials: Concrete, steel, aluminium and PMMA
- Colors: Concrete grey
- Description: Balance, symbiosis and interaction: the crux of the design of the NUI collection of outdoor floor and wall lamps lies in the relationship between two overlaid cylindrical volumes that interact in a dynamic of reciprocal completion. Parts of a single whole, these two volumes take on different, complementary roles.

Insulation class and mark: **CE IP65 IK03**

Rating: 24 V dc, 14W
