PLAN**

Type: Floor
Light source: LED 12W 2700K ^(*) EEL: A
800 lm (delivered)
dimmable

Product use: Indoor

Materials: aluminium head, steel stem

Colors: Black

Description: A new floor version for the essential Counterbalance LED lamp by Daniel Rybakken, winner of the prestigious Compasso d'Oro ADI 2014. After the great success among critics and the public, the innovative family of lamps by the Norwegian designer now expands, as this floor model joins the wall and spotlight versions, conserving the characteristic adjustable reflector in aluminium, thanks to a simple sliding mechanism on the stem.

Insulation class:   

Reference code: Structure 1D730T000001 black
