MIRANDOLINA  
design Paolo Rizzatto, 2005

Type: Table

Light source: LED E14 dimmable  
42W HSGSA E14 energy saver  
dimmer on board

EEL: A++/A+/A  
EEL: D

Product use: Indoor

Materials: Aluminium body, opaline blown glass diffuser

Colors: Structure in alu  
Diffuser in opal

Description: A smaller version of Miranda. It illuminates with elegance  
and balance. The metal reflections of its aluminium  
structure combine with the white opal transparencies of  
the blown glass diffuser.

Insulation class:  

Awards: Good Design Award, 2007
