

GARBÍ

design David Dolcini 2016

**LUCE
PLAN**

- Type: Wall
- Light source: LED 30W ⁽¹⁾ / main power / 2700K
2020 lm (delivered)
dimmable with TRAC dimmer
wall control
120V~ 60Hz
- Product use: Indoor
- Materials: Die-cast and deep-drawn aluminium
- Colors: Chrome / White
Textured white
- Description: Garbí is a wall lamp, a single solid volume made of soft, regular surfaces that meet to create precise edges. The indirect light from the LED source combined with that of the space enhance its solid image, gently shaped surfaces and angles, for a striking graphic effect.

Marking:
