EN Series of lamps with IP65 protection, with a simple and elegant design that fits in perfectly with any outdoor space. The head distributes light evenly while hiding the light sources.

IT Serie di lampade con grado di protezione IP65, dal design essenziale ed elegante, che si integra perfettamente negli spazi esterni. La testa distribuisce omogeneamente la luce celando le sorgenti luminose.

DE Lampenserie mit der Schutzart IP65 mit einem Design von schlichter Eleganz, das sich perfekt ins Außenambiente integriert. Der Lampenkopf leitet das Licht gleichmäßig weiter und verdeckt gleichzeitig die Leuchtmittel.

FR Série de lampes avec indice de protection IP65, design essentiel et élégant, qui s'intègre parfaitement au plein air. La tête répartit uniformément la lumière en masquant les sources lumineuses.

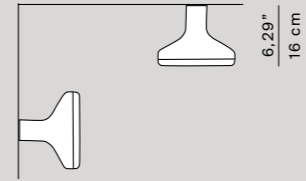

ES Serie de lámparas con grado de protección IP65, de diseño esencial y elegante, que se integra perfectamente en espacios exteriores. El cabezal distribuye de forma homogénea la luz ocultando las fuentes luminosas.
