dimmer on board      175 lm

Product use: Outdoor/indoor

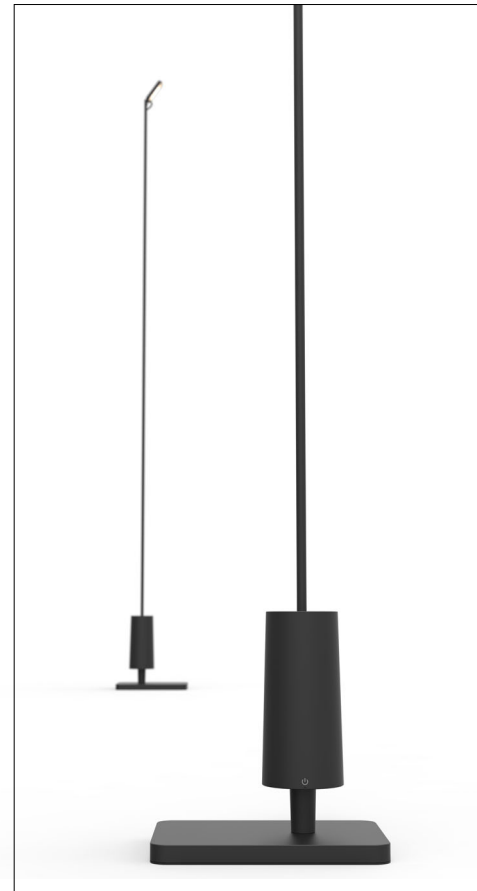

Materials: Stem: carbon fiber  
Head: aluminium  
Base: aluminium

Colors: Matt black

Description: The Flia family of outdoor floor lamps stands out for its ability to combine technological aspects with rigorous expressive forms. The miniaturization of the light source – a key factor of the project – is possible thanks to the use of LED technologies. The carbon stem is supported by a cylinder that contains the core elements and grants the lamp strength, lightness and flexibility.
