

GLASSGLASS

design Paolo Rizzatto

Type: Suspension

Lamps: 200W A-23 soft white med. base
23W CFEL med. base

Product use: Indoor

Materials: Glass diffuser, die-cast aluminium structure

Colors: Structure in alu
Glass in opal, sand-blasted/trasparent

Description: Modularity for versatility combines with the elegance of a unique product. The die-cast aluminium handle structure securely supports a series of diffuser glasses, blown following ancient traditions. The load bearing electrical wire is enclosed in a steel sheath.
