

# GOGGLE

design Ross Lovegrove

**LUCE  
PLAN**

Type: Wall

Light source: D52 LED 6W E14  
42W HSGSA E14  
12W FB E14

EEL: A++/A+/A  
EEL: D  
EEL: A

Product use: Indoor

Materials: Injection-moulded polycarbonate body

Colors: Structure in opaline  
Iridescent elliptical film

Description: This lamp comes in a single finish that changes colour depending on the perspective. The in-mould decoration technique allows the iridescent film that creates these colour changes to form an integral part of the polycarbonate diffuser.

Certifications: **IP40**

Insulation class:   (D52 - D52f EL) 

Reference code: D52 1D520000031 iridescent
