

HONEYCOMB

design Habits Studio, 2011

Type:	Suspension		
Light source:	D70L/1 D70L/2	LED 25W ⁽¹⁾ 3000K LED 50W ⁽¹⁾ 3000K	EEL: A EEL: A
Product use:	Indoor		
Materials:	ABS		
Colors:	Glossy white, canopy white		

Description: Like the cells of a beehive, the hexagonal modules of Honeycomb are joined freely into a suspension lamp with a captivating organic symmetry. The hexagons, connected by clips, give life to a self-supporting structure capable of housing energy-saving LED and halogen light sources configurations.

Insulation class:	  (D70K/3N1, D70L/1N1)	
	 (D70K/4N1, D70L/2N1)	

Reference code:	Complete version	
	D70K/3N1 1D700K300002	3bodies+1LED module*+susp.kit
	D70K/4N1 1D700K400002	4bodies+2LED module*+susp.kit

Structure		
D70C/1	1D7001000002	glossy white
D70C/3	1D7003000002	glossy white

Optics		
D70L/1N1	1D700L100000	satined aluminium
D70L/2N1	1D700L200000	satined aluminium

Accessories		
D70S	1D7002000002	white suspension kit 4 steel cables
D70A	1D7005000002	kit 5 white hooks

⁽¹⁾ The LED lamps cannot be changed in the luminaire
Power consumption by device
