

# MILLIMETRO

design Daniel Rybakken

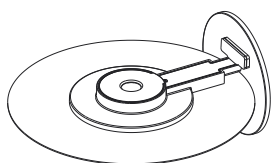

LUCE  
PLAN

Type:	Wall
Light source:	<b>A11A25W:</b> led module 20W, 2700K, CRI 90, 1.427 lm <b>A11A25:</b> led module 20W, 3000K, CRI 90, 1.427 lm
Product use:	Indoor
Materials:	Aluminium, steel and brass structure, polycarbonate diffuser
Colors:	White/mirror
Description:	<p>The new wall version of Millimetro stands out for its form and its surprising luminous impact. It is composed of a mirror-finish metal disk installed adjacent to the wall.</p> <p>The LED light source contributes to create a warm atmosphere, and remains hidden from view. The body of the lamp thus seems to float in space, becoming part of the wall itself.</p> <p>The model generates engaging, refined games of light and perspective in the surrounding space.</p>
Rating:	120 - 277V, 20W

Insulation class and marks:
