Paolo Rizzatto, 1986

**EN For the 40th anniversary of Costanza, the lamp designed in 1986 by Paolo Rizzatto, Luceplan presents three new shades with special patterns, a project that renews the identity of this icon without altering its lightness and formal balance. The new graphics interpret the diffuser as a surface for creativity, exploring new expressive possibilities through the interaction of light, design and material.**

IT In occasione del 40° anniversario di Costanza, la lampada disegnata nel 1986 da Paolo Rizzatto, Luceplan presenta tre nuovi paralumi con pattern speciali, un intervento che rinnova l'identità dell'icona senza compromettere la leggerezza e l'equilibrio formale del suo design. Le nuove grafiche interpretano il diffusore come una superficie progettuale, esplorando nuove possibilità espressive attraverso l'interazione tra luce, segno e materia.

DE Anlässlich des 40-jährigen Jubiläums von Costanza präsentiert Luceplan die 1986 von Paolo Rizzatto entworfene Leuchte mit drei neuen Lampenschirmen mit besonderen Mustern – ein Eingriff, der die Identität der Ikone erneuert, ohne die Leichtigkeit und das formale Gleichgewicht ihres Designs zu beeinträchtigen. Die neuen Grafiken interpretieren den Diffusor als gestalterische Oberfläche und erkunden neue Ausdrucksmöglichkeiten durch das Zusammenspiel von Licht, Zeichen und Material.

FR À l'occasion du 40e anniversaire de Costanza, la lampe conçue en 1986 par Paolo Rizzatto, Luceplan présente trois nouveaux abat-jours aux motifs spéciaux, une intervention qui renouvelle l'identité de l'icône sans compromettre la légèreté et l'équilibre formel de son design. Les nouveaux graphismes interprètent le diffuseur comme une surface de projet, explorant de nouvelles possibilités expressives à travers l'interaction entre la lumière, le signe et la matière.

ES Con motivo del 40.° aniversario de Costanza, la lámpara diseñada en 1986 por Paolo Rizzatto, Luceplan presenta tres nuevas pantallas con patrones especiales, una intervención que renueva la identidad del icono sin comprometer la ligereza y el equilibrio formal de su diseño. Las nuevas gráficas interpretan el difusor como una superficie proyectual, explorando nuevas posibilidades expresivas a través de la interacción entre la luz, el signo y la materia.
