Costanzina

Paolo Rizzatto, 1992

EN A discrete but solid presence, Costanzina can be easily positioned in any room, without stylistic limitations. The polycarbonate shade balances on just two points of the aluminium structure. If bumped, the shade can swing but doesn't fall.

IT Una presenza tanto discreta quanto solida. Costanzina si inserisce con semplicità in ogni ambiente senza porre vincoli stilistici di accostamento. Il paralume di policarbonato appoggia alla struttura di alluminio su due soli punti d'equilibrio. Se urtato, oscilla senza cadere.

DE Eine diskrete und solide Präsenz, Costanzina passt sich leicht an jedes Ambiente an, ohne stilistische Beschränkungen. Der Lampenschirm aus Polykarbonat ist nur durch zwei Haltestäbchen mit der Aluminiumstruktur verbunden. Wenn er angestoßen wird, schwingt er ohne herunterzufallen.

FR Une présence aussi discrète que solide, Costanzina s'insère avec simplicité dans toutes les pièces sans contraintes de styles. L'abat-jour en polycarbonate repose sur la structure en aluminium sur deux seuls points d'équilibre. Si on le touche, il oscille sans tomber.

ES Una presencia tan discreta como sólida, Costanzina se integra fácilmente en cualquier ambiente, sin imponer vínculos estilísticos de combinación. La pantalla de policarbonato se apoya a la estructura de aluminio solamente sobre dos puntos de equilibrio. Si se golpea, oscila pero no cae.
